- 1 Indenture from Samuel Ganges to Edward Temple, Box 3A Folder 2. Indenture term is for 4 years, suggesting a date of birth prior to 1783. All indentures for Ganges males were for 4 years or to age 21, whichever came first. Skills to be taught: farmer and endeavor to teach to read and write.; "Papers, Series IV. Manumissions, indentures, and other legal papers, Manuscript", Pennsylvania Abolition Society, Historical Society of Pennsylvania, 1300 Locust Street, Philadelphia, PA 19107.
- 2 1860 U.S. census, population schedule, Pennsylvania, Chester, Valley Township, page 531 (stamped), dwelling 76, family 76; Samuel Ganger, black male, age 75, servant, born Guinea Africa, cannot read or write. His age is probably under estimated here, given that his indenture term suggests he was born earlier than 1783. Note alternative spelling of surname, assume that informant was not Samuel, given his illiteracy.

5 Online Resource, [www.findagrave.com](http://www.findagrave.com). Text from headstone image: "Samuel Ganges died Oct 10 1868 aged 96 years." This places Samuel's est date of birth abt 1772. This is consistent with his birth being before 1783 as inferred from the 4 year term of his indenture to Edward Temple.
